

# GET IT RIGHT WITH **GREEK-STYLE SMOOTHIES**

Try our unique solution for **high-protein** and **high-fruit** smoothies. Perfect for consumers on the go

# Launch a smoothie that **triples the benefits**

Meet today's biggest consumer trends with one single product. Offer your customers the combination of a high-protein smoothie filled with the goodness of fresh fruit.

Nutrillac® is the solution that allows you to make delicious, Greek-style smoothies with a green profile in your existing production set-up. You will even reduce the milk volume needed and eliminate acid whey compared to a traditional Greek yoghurt process.

## The Triple Benefit

EASY  
PRODUCTION

GREEK-  
STYLE  
SMOOTHIE

HIGH-  
PROTEIN

GREEN  
PROFILE

7.5%

protein content

# High-protein is **high on** **the agenda**

High-protein products are in demand as consumers become increasingly aware of the health benefits of boosting their protein intake.

With our Greek-style smoothie solution you can offer consumers an easy, on-the-go product with delicious taste and up to 7.5% protein content. And you can add the goodness of up to 50% fresh fruit or vegetables.

### **Flavour suggestions**

Explore the fun flavours  
of fruits and vegetables!

# It's clean and **green** **all the way**

Our protein solutions create tasty dairy products with a sustainable and eco-friendly profile. As our products are natural, your product labels can be both clean and green.

# Easy **production** **processes**

If you think the production of Greek-style smoothies will be expensive and difficult, think again. Our protein solution will fit right into your current production set-up and increase yield significantly compared to traditional produced Greek yoghurt.

**Greek-style cream cheese spread**

**Greek-style yoghurt**

**Greek-style ice cream**

# Want more **high-protein options?**

If the possibility of Greek-style smoothies appeals to you, perhaps you are interested in some of our other products that offer high-protein, great texture and high yield?

**Greek-style cream cheese spread:** A cream cheese spread inspired by Greek yoghurt. Fresh taste, lower in fat and higher in protein compared to standard cream cheese.

**Greek-style yoghurt:** Our protein solutions eliminates the challenges of classic Greek yoghurt productions instantly.

**Greek-style ice cream:** Indulge with a clean conscience. Make tasty, velvety ice cream, and tap into the major consumer trend of low-fat, high-protein products.

## **Quality** starts here

Arla Foods Ingredients is a global leader in natural whey ingredients for nutritious food products. Our trademark is the quality we provide to our customers in every aspect of our offering.
